

# Drupal 10

Drupal

admin/reports/status

pass

Update notifications are not enabled. It is highly recommended that you install the Update Manager module from the module administration page in order to stay up-to-date on new releases. For more information, Update status handbook page.

```
drush cdel update.settings
```

admin/modules

Update Manager

## Trusted Host Settings

The trusted\_host\_patterns setting is not configured in settings.php. This can lead to security vulnerabilities. It is highly recommended that you configure this. See Protecting against HTTP HOST Header attacks for more information.

<https://www.drupal.org/docs/getting-started/installing-drupal/trusted-host-settings>

```
$settings['trusted_host_patterns'] = [  
  '^.\+\.example\.com\.tw$',  
];
```
